Where do i find my ideal clients?

Struggling to find new leads and clients is a horrible feeling. It doesn't matter if you're starting out or struggling by; it's still stressful.

People are everywhere. It's knowing the best place to show up and get them to be interested and to convert. That's the overwhelming part, isn't it? I get that.

Let's go over the plan to figure out how to know exactly where to show up and how to grab your target audience's attention.
